DISCLOSURE STATEMENT

To New Patients: This packet includes information about me and forms for you to fill out and bring with you to our first session. It is a lot of reading, but the information is important, so please review it in its entirety. If for some reason you are unable to complete the paperwork before our session, I will have copies in my office, and we will use your session time to complete the paperwork.

Please complete this paperwork prior to our initial meeting so that we can spend our time together focusing on the personal concerns that you wish to consult me about. I look forward to meeting with you.

Training and Degrees: I earned my Bachelor of Science degree in Interdisciplinary Studies from University of North Texas and my Master of Science degree in Clinical Mental Health at Texas A&M University at Commerce. I am Licensed as a Licensed Professional Counselor in the state of Texas (License #90342.) TX Christian Management, LLC provides office space and administrative support for Azalea Counseling. Azalea Counseling is responsible for all patient care.

Counseling Orientation: Stacy Davis offers faith-based Christian counseling, integrating CBT techniques from a biblical perspective.

Fees: The fee for counseling is **\$145** per 53-minute session for individuals and **\$150** for couples and families. Initial sessions are run in the 50-minute session format. Fees are adjusted annually on January 1st and will not increase more than 10% per year. Payments (cash, check, or credit) are to be made at the beginning of each session. In addition to your session fee, there may be a fee for using your credit card, which will be the exact amount the credit card company charges Texas Christian Counseling. Fees change regularly but will range between 2.5%-4% of your transaction. If you would like to know the exact current rate, please ask your therapist at the time of your appointment. A \$40 fee will be charged for returned checks. Unpaid balances incur the maximum finance charge allowed by law after 30 days. Outstanding balances may be sent to a collection agency.

Missed Appointments: If you are unable to keep an appointment, please notify me via phone a minimum of one day (24 hours) in advance. Text messages are adequate notice. **If you miss your appointment for whatever reason and fail to give me adequate notice, you will be responsible for the full fee for the session.** If you are late, I will still stop at our regular ending time to keep my schedule, and you will still be required to pay for the entire session. In the event of a missed appointment, the bill will reflect a late cancellation instead of a clinical session. Most insurance companies will not reimburse for missed appointments. If I have an emergency, I will notify you as soon as possible of my need to reschedule our appointment.

Termination of Treatment: When you wish to terminate treatment, please give a minimum of one week's notice. You may terminate treatment at any time without moral, legal, or financial obligation beyond payment of services already rendered. It is expected that we will discuss the prospect of termination so that both parties will be clear about any details that need attention as part of the termination process. If you fail to schedule a future appointment, cancel a scheduled appointment, or fail to keep a scheduled appointment and do not contact me within 30 days of the date of last recorded contact, it will be understood that you have terminated treatment. I shall have no further obligation to you once treatment has been terminated.

Testifying in Court: If you become involved in any legal proceedings that require my participation, you will be expected to pay for all my professional time. This includes any preparation and transportation time, even if I called to testify by another party. Because of the difficulty of legal involvement, I charge \$300 per hour for all preparation, travel, and attendance (waiting and participation) at any legal proceeding. Having said this, I am not a certified child custody evaluator and will be unable to help you legally if this is your purpose in pursuing treatment with me.

Choosing a Counselor: You have the right to choose a counselor who best suits your needs and purposes. You may seek a second opinion from another mental health practitioner or may terminate therapy at any time.
